Welcome & About
SAFECHR

Welcome Message

It is with great pleasure that I welcome you to SAFE 2027 - 5th Global Conference on Human Trafficking.

Together, let us map the invisible, embrace innovation, heal trauma, and build a world where every person is free, safe and dignified.

I look forward to your participation in this global movement.

Dr. Kalyani Gopal
Conference Chair, Founder, SAFECHR
Former APA President, SCP
International Speaker & Human Rights Psychologist

About SAFECHR

SAFECHR (Sex Trafficking Awareness, Freedom and Empowerment) is a global non-profit organization committed to preventing human trafficking while promoting human rights, mental health and social justice.

Vision

A world free from exploitation where every human lives with dignity, safety and equality.

Mission

To prevent human trafficking through awareness, research, capacity building, advocacy and survivor-centred support.

Global Reach

Working with partners in more than 76 countries.

Our Legacy, Our Journey.

2014, SAFE Conference
Chicago, USA
Built the foundation of global collaboration and awareness.

2016, SAFE Conference
Tysons Corner, Virginia, USA
Empowered networks and strengthened capacity building.

2018, SAFE Conference
Chicago, USA
Innovative solutions for prevention, partnerships and conflict response.

2019, SAFE Conference

Advancing survivor leadership and policy dialogue.

2027, SAFE 2027
New Delhi, India
Continuing the legacy towards a safer, just and exploitation-free world.

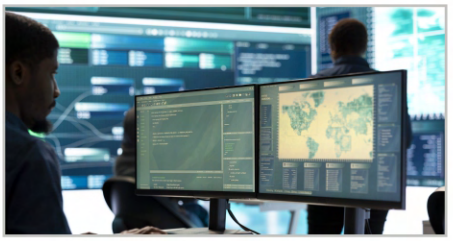

Why Human Trafficking Matters

Human trafficking is a complex global crisis that violates human rights, destroys lives and threatens societies worldwide.

Key Issues:

Human Rights Violation

National Security Threat

Organized Crime

Public Health Crisis

Economic Impact

Mental Health Emergency

Quote

Human trafficking is one of the most pressing human rights challenges of our time. It demands united action, innovation and compassion.

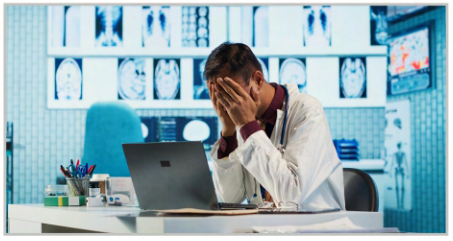

Why SAFE 2027 is Different

SAFE 2027 brings together global expertise, technology and survivor leadership to create lasting impact.

Focus Areas

Global Cooperation

Technology Driven

Trauma-Informed

Justice & Accountability

Survivor Leadership

Sustainable Impact

Conference Theme

Mapping the Invisible:

Trauma, Technology Innovations, and Triumph Over Trafficking

An integrated approach to understanding human trafficking through trauma-informed care, technology-driven solutions and collective action.

Four Pillars

1. **Trauma:** Healing survivors through trauma-informed care and compassionate services.
2. **Technology:** Harnessing AI, Cyber Intelligence, data analytics and digital innovations.
3. **International Cooperation:** Strengthening collaboration among governments, UN agencies and NGOs.
4. **Community Action & Triumph:** Empowering communities and survivors through rehabilitation and resilience.
